KWB PATH-WAYS INTERNSHIP PROGRAM

KWB OFFERS A PAID INTERNSHIP FOR STUDENTS WHO HAVE OBTAINED, OR ARE ACTIVELY PURSUING, A DEGREE IN BIOLOGY OR A PRE-HEALTH PROFESSION. PATH-WAYS PARTICIPANTS COMMIT TO AT LEAST ONE-YEAR, WORKING FULL TIME IN OUR MEDICAL PATHOLOGY LABORATORY.

THE PURPOSE OF THE PROGRAM IS TO BROADEN THE EXPOSURE OF FUTURE MEDICAL PROFESSIONALS TO THE SPECIALTY OF PATHOLOGY. OUR GOAL IS TO PROVIDE A STRUCTURED MEDICAL LABORATORY EXPERIENCE WHICH PROMOTES THE DEVELOPMENT OF A MORE WELL-ROUNDED APPLICANT AND INCREASES THEIR LIKELIHOOD OF SUCCESS IN PURSUIT OF MEDICAL SCHOOL OR ANY OTHER HEALTH PROFESSION.

DURING THE INTERNSHIP, STUDENTS GAIN EXPOSURE TO VARIOUS POSITIONS AND TASKS IN THE LAB AND ARE PROVIDED OPPORTUNITIES TO WORK CLOSELY WITH OUR PATHOLOGIST PHYSICIANS AND REVIEW ACTUAL PATIENT CASES.

IF YOU ARE INTERESTED IN APPLYING FOR THIS PROGRAM, PLEASE EMAIL YOUR INQUIRY AND RESUME TO HR@KWBPATHOLOGY.COM.

SHADOWING PROGRAM

KWB OFFERS A SHADOWING PROGRAM FOR PRE-HEALTH STUDENTS TO PROVIDE VALUABLE EXPOSURE TO THE FIELD OF PATHOLOGY. THIS UNIQUE PATHOLOGY SHADOWING EXPERIENCE GIVES A REALISTIC VIEW OF THE ROLES IN THE PATHOLOGY LAB AND IMPORTANCE OF LABORATORY MEDICINE TO PATIENT CARE. STUDENTS WILL GAIN INSIGHT INTO THE MEDICAL SPECIALTY OF PATHOLOGY, AS WELL AS THE MANY OTHER ASSOCIATED LABORATORY PROFESSIONAL POSITIONS, AND IDENTIFY FURTHER AREAS OF INTEREST.
